Riverside Free Clinic Undergraduate Medical Clinic Application
Essay Questions 2024-2025

NOTE The purpose of this document is to allow applicants to save and draft essay responses. These text responses <u>MUST</u> be submitted through the <u>online actual application.</u> In addition to the essay portion, you must submit your <u>resume</u> with your application, and a <u>referral form</u> must be emailed by your referrer.

** Please note that these essay questions are for applicants who are interested in participating with the RFC medical clinic services. This opportunity is open to all current UCR undergraduates.

1. Describe your interests and/or past experiences in serving underserved communities. **Please limit your response to 1000 characters - including spaces.*
2. What can you contribute to RFC and what do you hope to gain from your experiences at RFC? **Please limit your response to 1000 characters - including spaces.*
3. Provide a situation in which you were motivated to work hard in the past. How do you plan to implement what you have learned from this experience at RFC? **Please limit your response to 1000 characters - including spaces.*
4. Please list your tentative plans for the following academic year: summer plans, study abroad, rough number of classes to be taken per quarter, amount of time in hours to be devoted to clinic if accepted, and other extracurricular activities/responsibilities. **Note: Failure to meet RFC volunteer commitments may result in dismissal. **Please limit your response to 1800 characters - including spaces.*
5. (Optional Question) Do you have a particular committee you're interested in? If so, why? **Please limit your response to 800 characters - including spaces.*
6. If you do not meet the recommended 2.8 GPA, please use this space to provide context regarding your academic status. **Please limit your response to 1800 characters - including spaces.*
